

# Once upon a time...

*Noel Nusnev likes dogs. Read his story about a happy dog.*

## The Dog

The Dog lives in his new family and is very happy. Once he goes to the park and sees a cat next to the tree. The Cat looks at the bird and says, "You have a very nice voice. can you sing for me, please." The Bird sits on the Cat's nose and sings. The Cat is hungry and wants to eat the Bird. The Dog sees that and jumps on the Cat.

The Dog helps the Bird.
